

More Savings | More Options | Proactive Outreach

## Control drug costs with FlexAccess™

Specialty drug costs represent only 2% of pharmacy claim volume but over 55% of pharmacy costs.<sup>1</sup>

You need a solution that can help control these costs for your company and employees.

FlexAccess, offered by Horizon Pharmacy, is Prime Therapeutics' new manufacturer copay/coupon program offering:

- More drug savings opportunities
- More pharmacy options
- Proactive guidance and outreach
- Immediate savings at point-of-sale

**Copays as low as \$0**  
and rarely higher than \$35

Savings opportunities up to  
**\$10 PMPM<sup>2</sup>**

<sup>1</sup>Based on Horizon data.

<sup>2</sup>Prime internal ASO book of business data 2021. Savings may differ depending on current benefit design.

# Members enjoy low costs and more pharmacy options

FlexAccess offers more savings and broader access than similar programs combined with help and guidance along the way.

- Proactive outreach to help members take advantage of lower copays
- More pharmacy options beyond central fill
- A longer list of medications in the specialty category where savings opportunities exist
- Savings opportunities for non-specialty medications, including HIV
- Member copays as low as \$0 and rarely higher than \$35, which count toward accumulators<sup>3</sup>
- More flexibility and lower costs due to Prime's channel-optimized approach

## Protect your company and employees from rising costs

Skyrocketing specialty drug costs are driving an increase in overall prescription and premium costs.

FlexAccess gives your company more control over these costs while supporting members, increasing their options and helping them take advantage of lower copays.

It's a smart, easy-to-implement solution we're excited to offer our clients and members.
